Welcome to my site.

My name is Bashir Towdiee, I am a junior web developer slowly building up my knowledge in the tech industry.

SKILL SET:

JavaScript

Ruby

Rails

React

Node.js

Arduino

CSS3

HTML5

I always tackle my projects with a hands on approach learning the latest industry tools to get the best outcome.

My skills exceed within a team environment. and always have space for grinding a out tasks on a time crunch.

My previous career was working in the film industry as a camera technician working on feature films, commercials and music videos.

special thanks to:
Eathan Langford
Tiffany Fai
Bianca Carnevale

The ultimate crime.

Challenges

How much to steal? 🤔

5%?

15%?

95%?

Paranoia

Most cases of **plagiarism** are considered misdemeanors, punishable by fines of anywhere between \$100 and \$50,000 — and up to **one** year in **jail**. **Plagiarism can** also be considered a felony under certain state and federal laws. Jun 23, 2010

Solid 35%
